Non-surgical treatment of patellar tendinopathy: A systematic review of randomized controlled trials

*Dr. Trevor Vander Doelen earned his Doctorate of Chiropractic from the Canadian Memorial Chiropractic College following an Honours Bachelor of Science Degree in Kinesiology from Laurentian University. He completed a Masters of Science in Rehabilitation Sciences from the University of British Columbia. Dr. Vander Doelen is currently a resident of the Royal College of Chiropractic Sports Sciences (RCCSS), pursuing a Sports Specialty. He is the lead author of a number of peer reviewed journal articles pertaining to injury care and sports performance.*

*Dr. Vander Doelen is the Chiropractor for the Athlete Institute Basketball Academy in Orangeville, ON, an institution that has produced numerous NBA players. He was a Lead Medical Practitioner at the 2015 PanAm Games. Dr. Vander Doelen also enjoys teaching, and is an instructor for the Functional Integrated Acupuncture Program at CMCC.*

*He has a special interest in basketball related injuries, chronic injuries, and performance care. He currently consults with NCAA, NBA, players from international professional basketball leagues, in addition to NHL and CFL athletes. Dr. Vander Doelen is a former Toronto Lifeguard Champion and has received the Toronto Emergency Medical Services Citizenship Award. In his spare time he enjoys basketball, squash, and cycling.*
